

HOSA Service Project

National Pediatric Cancer Foundation

Purpose To encourage HOSA members to provide community service through the adoption of goals and implementation of strategies related to the support of a health organization.

Description The HOSA Service Project involves the sponsorship of a health organization by local HOSA chapters. Local chapters plan service projects to support the selected organization. Chapters document their involvement and submit documentation via the online HOSA Activity Tracking System by the state deadline to be eligible for state recognition and by May 15 to be eligible for national recognition. (If a chartered association does not have the selected health organization in their country, the leadership of CE will work with the chartered association to find a comparable organization to serve as the recognized organization for the term.)

Rules and Procedures

1. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the HOSA Competitive Events Program \(GRR\)](#)."
2. A plan with goals and strategies should be developed to guide the HOSA chapter's involvement with the selected organization.
3. Members and chapter advisors should submit hours and money raised by their chapter via the online HOSA Activity Tracking System. (See [Member Instructions](#) and [Chapter Advisor Instructions](#) for detailed directions on using the online system.) Members should record their volunteer hours individually. **Donations should be noted on just ONE chapter member's account.**

For example, if a chapter raised \$150 in five hours of volunteer time, each member who participated should record five hours in the online HOSA Activity Tracking System. But only ONE member of the chapter should enter the \$150 donation total. If all five members entered \$150, this would inflate the actual amount of money raised.

This is a chapter recognition event. The HOSA Activity Tracking System will add the volunteer hours submitted by all members of the chapter to reach total hours volunteered by the chapter.

5. For national recognition, this event may include activities from June 1, 2018 through May 15, 2019. Activities must be entered and **APPROVED** by chapter advisors in the online HOSA Activity Tracking System by midnight on May 15, 2019. The list of

- activities in the system is what will be used to identify recognition levels at the International Leadership Conference.
6. For state recognition, this event may include activities from June 1, 2018 to the state published deadline. State Advisors will communicate state-level deadlines. Activities must be entered and **APPROVED** by chapter advisors in the online HOSA Activity Tracking System by midnight on the state published deadline. The list of activities in the system is what will be used to identify recognition levels at the State Leadership Conference.
 7. At the international level, Certificates of Recognition will be awarded to all chapters who contribute a minimum of \$100 or 100 hours of community service in partnership with the organization. The monetary and time requirements are not to be combined to reach this minimum. Once a chapter reaches \$100 or 100 hours, they will receive the Certificate of Recognition.
 8. At the international level, Certificates of Merit will be awarded to all chapters who contribute a minimum of \$500 or 500 hours of community service in partnership with the organization. The monetary and time requirements are not to be combined to reach this minimum. Once a chapter reaches \$500 or 500 hours, they will receive the Certificate of Merit.
 9. Other outstanding service awards may be presented by the selected organization in recognition for outstanding contributions by individual chapters. State outstanding service awards, if available, will be announced by the respective state advisor.
 10. Certificate of Recognition and Merit chapters will be recognized with a certificate for the chapter. The certificate will be distributed to the State Advisor during the designated registration time at the International Leadership Conference. Those chapters attending International Leadership Conference and earning recognition will select a chapter representative to walk across the stage during the National Recognition Session to receive a pin. Gold, silver and bronze medals are not awarded for this and other recognition events at the international level.
 11. Chapter names may be posted on the HOSA website. In order to be listed online, the chapter **MUST** have at least 100 hours or \$100 or 500 hours or \$500 **APPROVED** in the HOSA Activity Tracking System by the deadline.
 12. Information submitted to HOSA-Future Health Professionals via the online HOSA Activity Tracking System will become the property of HOSA. Permission is given to HOSA to share project ideas with health organizations and in HOSA publications.
 13. **HOSA Service Project selection process:** The HOSA Executive Council will nominate three organizations during the business session of the International Leadership Conference for the voting delegates to select the one organization they would like HOSA – Future Health Professionals to sponsor. An organization is selected for two years with a maximum of a two-term limit providing four consecutive years maximum. If the service project is done for a two-term limit, it can be reconsidered after another service project has been done by the organization.
