THE GREAT LOOP CHALLENGE

SAVING LIVES AND SMASHING RECORDS

A fearless attempt to break a world record by braving the elements on a grueling 6,000-mile nautical trek to raise money and awareness for children battling cancer.

Captain Red Flowers intends to accomplish this in 30-40 days in a 26-foot, Barker Boatworks, open cockpit boat and set a world record! It is his goal to raise $1,000,000 to donate to the National Pediatric Cancer Foundation.

The National Pediatric Cancer Foundation is a nonprofit organization dedicated to funding research to eliminate childhood cancer.
