

Canyon Bay

Canyon Bay Boats is proud to serve as the Presenting Sponsor of Captain Red Flowers' Great Loop Challenge, aimed at raising funds for the National Pediatric Cancer Foundation to support research on childhood cancer. As champions of this cause, we invite you to join us in this noble endeavor to make a meaningful impact in the fight against pediatric cancer. In support of Captain Red Flowers' historic journey, Canyon Bay Boats is providing a Model 28H hybrid bay boat to assist him in his mission to circumnavigate the Great Loop, covering over 6,000 miles.

Furthermore, we are committed to auctioning the boat upon the completion of his trip to raise additional funds for pediatric cancer research. This partnership symbolizes our commitment to supporting those bravely battling cancer and our dedication to making a difference in their lives.

Captain Red Flowers, a stage 4 cancer survivor himself, was deeply moved by the courage of children undergoing cancer treatment at the Moffett Cancer Center in Tampa, FL, as he struggled through the same treatments side by side with them. Inspired by their resilience, he vowed to take action by embarking on something audacious: running the Great Loop and raising \$1 million dollars! With the support of Canyon Bay Boats and the use of our Model 28H hybrid bay boat, he plans to navigate the Great Loop in record time, all in the name of pediatric cancer research and awareness.

To support this audacious endeavor and contribute to the \$1 million fundraising goal, please click the following link:

Support the Cause (<https://nationalpcf.org/the-great-loop-challenge-2024/>)

Your generosity will help Captain Red Flowers reach his ambitious fundraising target and provide critical support to children battling cancer. Thank you for joining us in this extraordinary journey to make a difference.

Warm regards,
Ross Toepel
CEO, Canyon Bay Boats
