

How To Fundraise For The 43 Challenge

1

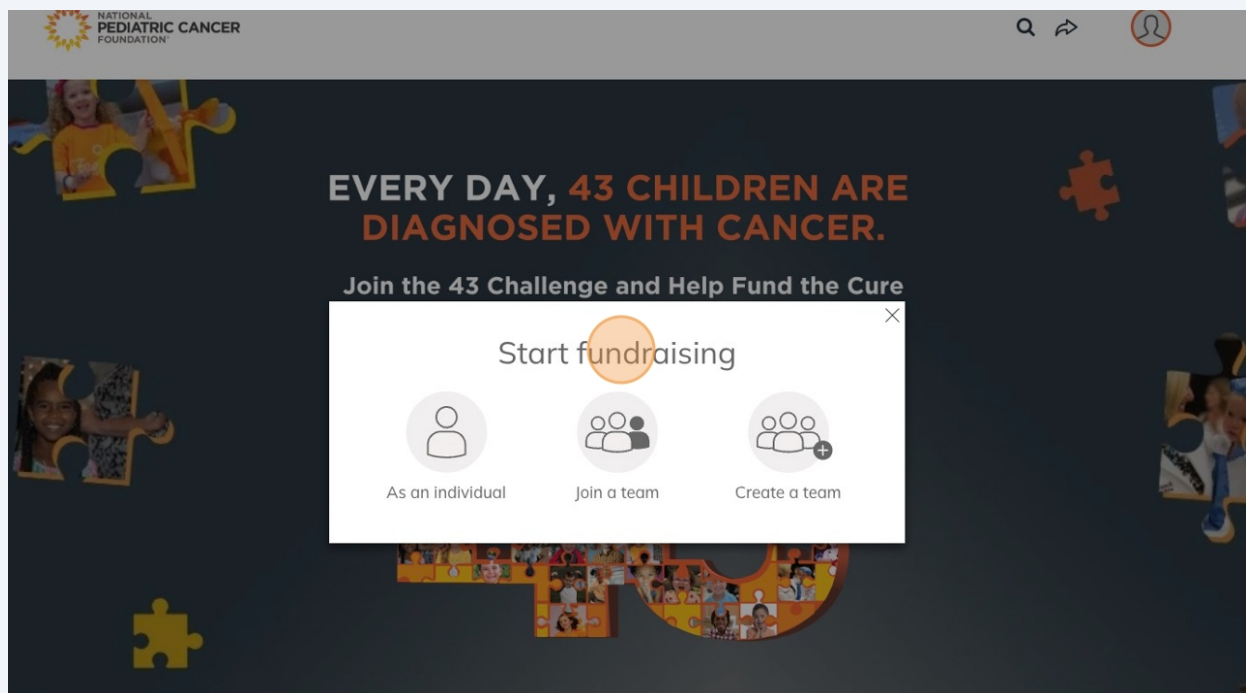

Navigate to https://give.nationalpcf.org/campaign/43-challenge/c675330?c_src=MainWeb&_ga=2.249626182.1917713542.1743426792-418270271.1738702488

2 Click "JOIN THE CHALLENGE"

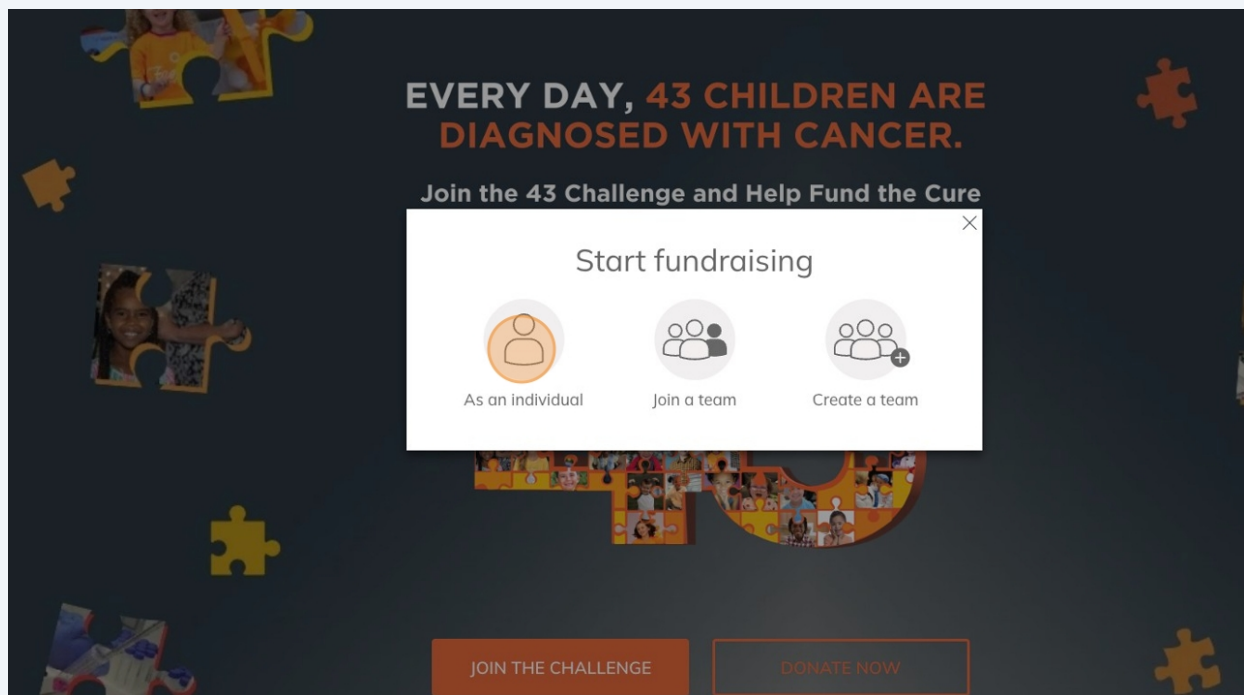

3 Click one of the following options that best reflects your 43 Challenge idea. If you are doing a personal fundraiser solo, you can fundraise as an individual. If you plan on doing a group fundraiser where people may want to join as a team and show off team & personal fundraising efforts, be the first to create a team or join your group's fundraising team if you know someone has already made one that you plan to fundraise with.

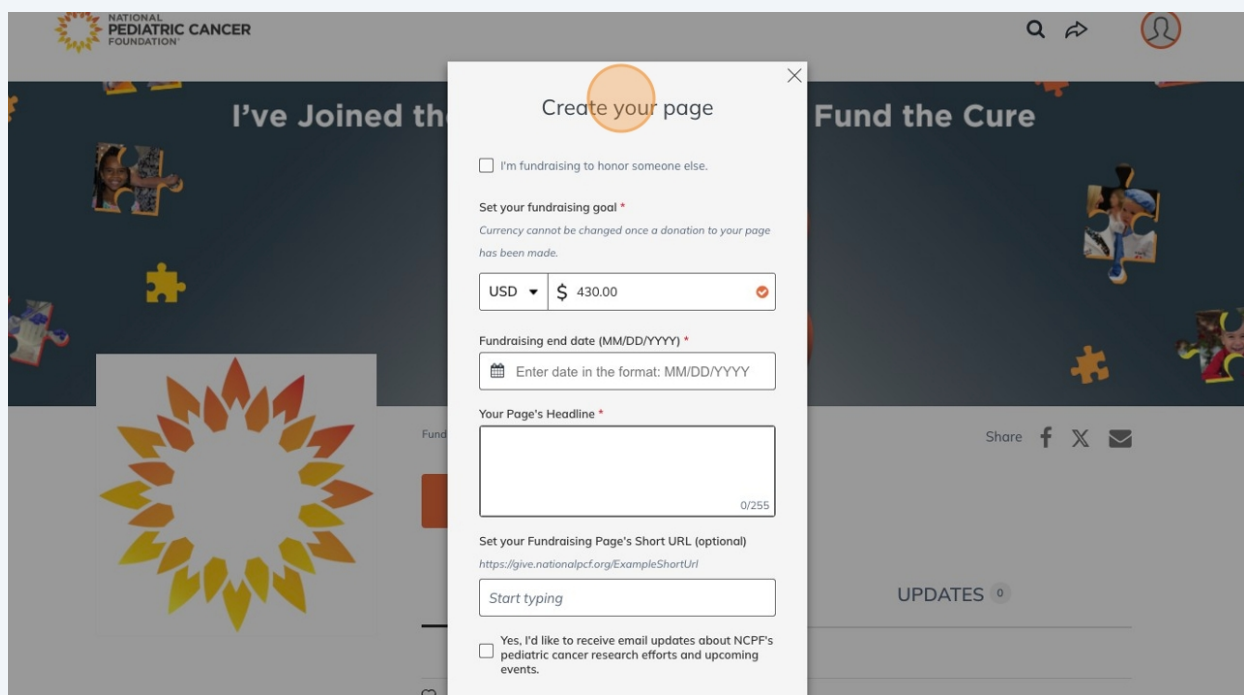

4

For this walk through we're showing how to create a personal fundraising page, but the steps are very similar for creating a team.

5

A pop up screen like the one below will appear. Please fill in all the necessary details. If you are unsure of an end date for your page, we suggest December 31st, 2025. If you are not sure what to make your headline for the page right now, it can always be edited later.

6

Click "Yes, I'd like to receive email updates about NCPF's pediatric cancer research efforts and upcoming events." to make sure you receive communications about how your fundraising efforts are going.

Next you'll have the option to update the photo shown on your page. You can change it by clicking "Change" or feel free to keep it as the NCPF Sun.

8 Click "Continue"

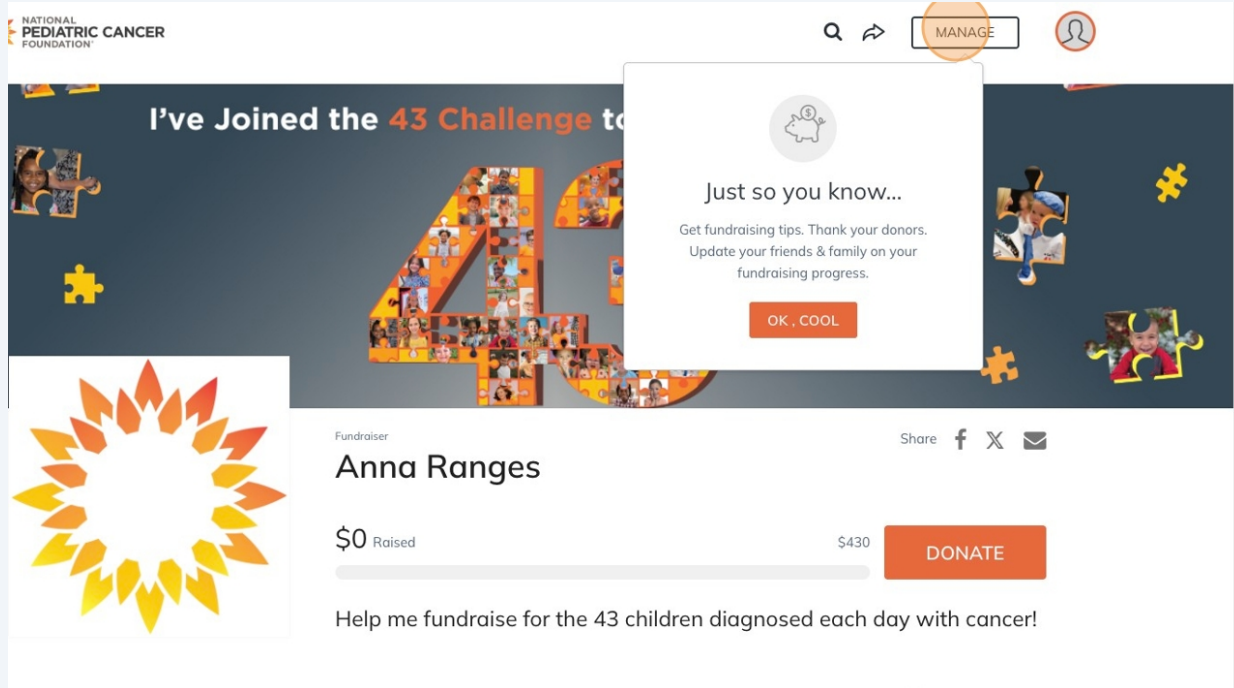

9 Now you are done with the initial setup of your page! You can use the Share icons on the page to easily share your page on socials and through email to your community.

10

Click "Manage" at the top to make edits on your page and also view total donations, emails, and facebook fundraising setup.

11

After first selecting "Manage" in the overview section you'll see suggestions to make for your page. These can be skipped, but if you need help getting kick started, follow these steps. Once you have, you are all set and ready to Help Fund The Cure!
